

VISUAL / UI DESIGNER (m/w) - full time or part time

mohemian, a digital company builder and investor focusing on international projects, is looking to hire smart, highly creative and motivated Designers, who are keen in creating new design languages, corporate designs and magnificent digital design experiences. We are looking for new talents that already have work experience or are still in their studies and are keen to build products with us!

Qualifications & Experience

- Work experience as Visual and Interface Designer and proven design skills with a great portfolio
- Interest in working with an Agile/Scrum development process and the ability to work across multiple platforms including web & mobile
- Passion for design excellence, usability, and consumer appeal in products
- Skills in Sketch, Adobe Suite (Illustrator, Photoshop) or other visual design and wire-framing tools
- Sense of urgency, pragmatism, and a solution-oriented approach to problem-solving

Roles & Responsibilities

- Collaborate and brainstorm with our Front-end - Developers and Product Managers in order to find the best user experience for different customer needs
- Develop design-ideas that bring simplicity and user-friendliness to all our platforms and devices (iOS & Android)
- Create brand identities, design guidelines, user interfaces, and represent the design ideas
- Participate in user-tests and gather their valuable feedback
- Support with visual designs different functions of the business (Marketing, Sales, Content)
- Full professional proficiency in English

What We Offer

We offer an international working environment with an open-minded, friendly, inspiring and supportive atmosphere, flexible working hours, and flat hierarchies.

Join our team in Innsbruck!
