BI Manager (f/m/d)

Wattens, Austria

At Swarovski, where innovation meets inspiration, our people desire to explore, experience and create. We are looking for a BI Manager (f/m/d) where you will get a chance to work in a rewarding role within a diverse team that is pushing boundaries. Be part of a truly iconic global brand, learn and grow with us. We're bold and inventive, revealing astonishing things like no one else can. A world of wonder awaits you.

About the job

Your responsibilities will be but are not limited to:

- Cooperating with the business to define key performance indicators (KPIs) and streamline BI processes for easy-to-use, data-driven decision making.
- Structuring data for reporting, designing standard reports, and ensuring compliance with data governance policies.
- Automating of reporting processes and working closely with stakeholders to develop customized solutions.
- Supporting self-service data analysis with user tools and resources.
- Setting up guidelines, encompassing data quality and security, for both reports and dashboards.
- Defining the continuous improvement plan and lifecycle for the reporting, including the process for identifying new requirements, developing new features, and retiring old products

About you

We are looking for a unique and amazing talent, who brings along the following:

- Preferred: University degree in Mathematics, Computer Science, Information Management, or related field.
- Skills in Business intelligence, analytics, reporting, and data transformation.
- Experience with Tableau and other front-end tools (SAP Business Objects, Power BI, etc.).
- Familiarity with Tableau products (Tableau Server, Tableau Public, etc.) and versions.
- Clear, structured, and analytical communication to non-technical audiences.
- Self-directed, flexible, proactive team player with strong interpersonal and presentation skills
- Excellent English language skills

Masters of Light Since 1895

Swarovski creates beautiful crystal-based products of impeccable quality and craftsmanship that bring joy and celebrate individuality.

Founded in 1895 in Austria, the company designs, manufactures and sells the world's finest crystal, gemstones, Swarovski Created Diamonds and zirconia, jewelry, and accessories, as well as crystal objects and home accessories. Together with its sister companies Swarovski Optik (optical devices) and Tyrolit (abrasives), Swarovski Crystal Business forms the Swarovski Group.

Swarovski is an equal opportunity employer. We give our people the guts to celebrate individuality and pride ourselves on creating a workplace where people feel involved, respected, valued, connected, and heard.
